## **Invoice data**

In order to prepare the **invoice of payment** for the participation to the Eco Campus, the Account Office of the Rotary Club of Cagliari needs to know to whom it has to be headed.

### **invoice headed to the participant:**

You have to send us your personal permanent address and for Italian participants also their Codice Fiscale (no matter if they live temporary or permanently abroad).

## **Education level**

Master Degree in engineering and scientific, technical and humanity fields related to the environment and the promotion of cultural heritage (engineering, architecture, botany, earth sciences, cultural heritage preservation, agricultural sciences and forestry, etc..)

## **Language**

**Fluent written and Spoken English.** You must have at least the certified **Advanced** English skill level. At the Advanced level, you can function well in everyday life and work situations in a second language environment, including situations with complications. You will be fairly comfortable in most social situations. You can understand and participate in conversations on current events topics. You can handle most work information and factual content. You can narrate and describe at paragraph length using the past, present, and future tenses. Although some errors are present, you are strong in vocabulary and syntax. Native English speakers easily understand you. When listening, some misunderstandings may occur, but you can understand most normal, native speech. Native English speakers may need to adjust their speech in order for you to understand, as you may not grasp all details. You may also not understand regional or cultural differences.

The undersigned declares to have read the general information, economic conditions, the program, of the ECO CAMPUS, dates and procedures for registration and participation.
